2. Type and Nature of Electronic Transfers - Each preauthorized debit to the designated loan account will be made on a monthly basis, on or near the due date of the loan payment, and in the amount provided by you, the Authorized Payer.

3. Questions about your Electronic Fund Transfers - All questions about deposit entries made under this agreement should be directed to us and not to the financial institution where you have your account. We are responsible for the Electronic Fund Transfer (EFT) and for resolving transactional errors and issues. Our contact information is as follows: Aspire Servicing Center, P.O. Box 659705, West Des Moines, IA 50265-0970. You may also contact us by telephone at 844-219-4139.

4. Your Liability for Unauthorized Transfers - If you believe that someone has transferred or may transfer money without your permission from your bank account in violation of your directions to us under this agreement, please contact us as noted above. Our business days are Monday through Friday. A prompt telephone call is the best way to minimize your potential loss. In addition, if your bank statement shows preauthorized transfers that you did not make, contact us immediately.

5. Stopping Preauthorized Payments - If you have preauthorized us to make regular automatic payments to designated loan(s) from your bank account, you may stop these payments. You have the right to terminate this agreement at any time by notifying us at least three (3) business days prior to the next payment due date.

6. If We Fail to Make a Transfer - If we fail to complete a transfer from your bank account on time or in the correct amount according to our agreement with you, we agree to accept responsibility. Exceptions to this include, but may not be limited to, the following:

- a. If, through no fault of our own, you have insufficient funds in your bank account to make the transfer, or
- b. If, through no fault of our own, the information for preauthorized payment transfer is not received as scheduled; or
- c. If the money in your bank account is subject to a legal process other than encumbrances; or
- d. If circumstances beyond our control, such as fire, flood, power or computer failure, prevent the transaction despite reasonable precautions we have taken.

7. Privacy - We may disclose information to third parties regarding your bank account, the designated loan account, and/or the transfers that you authorize to the designated student loan account under the following circumstances:

- a. Where it is necessary for completing a transfer; or
- b. In order to comply with criminal justice agency requests, subpoenas, lawful discovery under federal or state rules of civil and criminal procedure or court orders; or
- c. If you give us written permission to do so.

8. Other Agreements and Regulations - Preauthorized transfers are subject to all charges, rules and regulations governing deposits to accounts and all other agreements and disclosures governing checking, savings, and overdraft line of credit accounts, and are subject to any future changes.

9. Termination, Changes, and Assignment - We reserve the right to make changes in this Agreement or assign the obligation to process transfers at any time. We may cancel preauthorization transfer services without cause, and you may terminate this Agreement at any time by giving notice as written above.

Authorization Acknowledgment

By signing this form, you authorize Aspire Servicing Center to debit your bank account each month on the payment due date. If the payment due date falls on a weekend or holiday, your account will be debited on the next business day. The amount deducted may change if an interest rate change causes an adjustment to the monthly payment amount on this account. You further acknowledge that the origination of an ACH transaction to your account must comply with applicable U.S. Law and, specifically, the Rules of National Automated Clearing House Association. You also acknowledge that by enrolling in our automatic debit program, you consent to allow us to contact you if we are unable to reach the primary borrower due to inaccurate or outdated contact information. Please note, we are unable to provide account specific information to you unless you are an endorser for the primary borrower or the primary borrower has given us written permission to speak to you regarding their account.

The designated loan account must be in a current repayment status to qualify for our automatic debit payment plan. Your first automatic debit will be scheduled within 60 days from the date your enrollment is processed by us. You will receive a notification letter by mail indicating when your automatic debits will begin. Until the initial debit occurs, the primary borrower and/or cosigner, if applicable, are responsible for making payments on the account to avoid any periods of delinquency.

You have the right to terminate this agreement at any time by notifying us at least three (3) business days prior to the next payment due date. We reserve the right to modify the terms of this agreement or terminate this agreement at any time. If you were making payments through auto debit prior to being granted a period of deferment or forbearance, we will automatically resume auto debit payments on your scheduled due date upon the conclusion of your deferment or forbearance. If you no longer wish to have your payments automatically deducted, please contact us at your earliest convenience so that we can cancel your enrollment in auto debit. If you previously terminated your enrollment in auto debit or would like to sign up for the first time, you can enroll after the deferment or forbearance period ends by going online to www.AspireServicingCenter.com and selecting Auto Debit in the menu or by submitting a paper Auto Debit Enrollment Form. This agreement may also be terminated if you fail to have sufficient funds in your account to cover the payment debited. A fee may be added to the loan account due to insufficient funds not to exceed the amount allowed under State Law or the terms of your promissory note.

If the designated loan account receives an interest rate reduction based solely on your enrollment in our automatic debit payment plan, then the interest rate will increase to the statutory (maximum allowable interest rate) rate if this agreement is terminated for any reason or in the event of default.

Interest rate reductions granted for the Automatic Debit Payment Plan are dependent upon loan holder participation and program guidelines. Participating loan holders reserve the right to modify or discontinue the interest rate reduction at its discretion and without notice. See loan holder's website for a complete list of program benefits, details and disclaimers.
