Authorization Acknowledgment

By signing this form, you authorize Aspire Servicing Center to debit your bank account each month on the payment due date. If the payment due date falls on a weekend or holiday, your account will be debited on the next business day. The amount deducted may change if an interest rate change causes an adjustment to the monthly payment amount on this account. You further acknowledge that the origination of an ACH transaction to your account must comply with applicable U.S. Law and, specifically, the Rules of National Automated Clearing House Association.

Your account must be in a current repayment status to qualify for our automatic debit payment plan. Your first automatic debit will be scheduled within 60 days from the date your enrollment is processed by us. You will receive a notification letter by mail indicating when your automatic debits will begin. Until the initial debit occurs, you are responsible for making payments on the account to avoid any periods of delinquency.

You have the right to terminate this agreement at any time by notifying us at least three (3) business days prior to the next payment due date. The loan holder or servicer reserves the right to modify the terms of this agreement or terminate this agreement at any time. If you were making payments through auto debit prior to being granted a period of deferment or forbearance, we will automatically resume auto debit payments on your scheduled due date upon the conclusion of your deferment or forbearance. If you no longer wish to have your payments automatically deducted, please contact us at your earliest convenience so that we can cancel your enrollment in auto debit. If you previously terminated your enrollment in auto debit or would like to sign up for the first time, you can enroll after the deferment or forbearance period ends by going online to www.AspireServicingCenter.com and selecting Auto Debit in the menu or by submitting a paper Auto Debit Enrollment Form. This agreement may also be terminated if you fail to have sufficient funds in your account to cover the payment debited. A fee may be added to the loan account due to insufficient funds not to exceed the amount allowed under State Law or the terms of your promissory note.

If your loan holder provides an interest rate reduction based solely on your enrollment in our automatic debit payment plan and this plan is terminated for any reason, your interest rate will increase (not to exceed the maximum interest rate under the terms of your loan agreement).

Interest rate reductions granted for the Automatic Debit Payment Plan are dependent upon loan holder participation and program guidelines. The loan holder reserves the right to modify or discontinue the interest rate reduction at its discretion and without notice. See loan holder's website for a complete list of program benefits, details and disclaimers.
